Sexual Selection Sex. Art. Insects? In 2000, Natacha Merritt released Digital-Diaries (Taschen), the first ever book to feature exclusively digital photography. What was the 21 year old San Francisco native photographing? Her sex life with her friends, masturbating with and without accessories, in bed, in the shower, in hotel rooms, from every imaginable angle and with the camera usually at arm's length. Digital-Diaries allowed the reader a no-holds-barred insight into Merritt's fantasies, desires, exploits and realities. Her controversial work was soon featured in diverse publications across the world from Rolling Stone to The Observer, from Playboy and Der Spiegel to Dazed...
