Kurzbeschreibung

A sexy second-chance romance from New York Times and USA Today Bestselling Author Nashoda Rose.

Can be read as a standalone.

A first kiss that changed everything.

Killian Kane. ?

He was the most feared guy in high-school.?

Guarded. Angry. A fighter.?

But when I caught him watching me with his captivating green eyes I saw something more. Something protective and kind. ?

He warned me to stay away from him.

?I did. ?

Until I didn't and he kissed me. A knee weakening, body tingling kiss that left me breathless. ?And scared the hell out of me.

?And then... ?

He warned me never to come near him again or next time he wouldn't let me go.?

?That was eleven years ago.?

We aren't teenagers anymore. He has probably forgotten me. ?He's a famous rock star now. I'm a dance instructor with a broken dream and desperate for a job.?

So, when we cross paths again I don't expect him to remember me.?

He does.?

And his warning eleven years ago? I'm about to find out exactly what that meant.
