Kurzbeschreibung

The #1 New York Times Bestseller! A hot and hilarious new romance from the author of smash hits MISTER O and BIG ROCK...

I've been told I have quite a gift.

Hey, I don't just mean in my pants. I've got a big brain too, and a huge heart of gold. And I like to use all my gifts to the fullest, the package included. Life is smooth sailing....

Until I find myself stuck between a rock and a sexy roommate, which makes for one very hard...place.

Because scoring an apartment in this city is harder than finding true love. So even if I have to shack up with my buddy's smoking hot and incredibly amazing little sister, a man's got to do what a man's got to do.

I can resist Josie. I'm disciplined, I'm focused, and I keep my hands to myself, even in the mere five-hundred square feet we share. Until the one night she insists on sliding under the covers with me. It'll help her sleep after what happened that day, she says.

Spoiler--neither one of us sleeps.

Did I mention she's also one of my best friends? That she's brilliant, beautiful and a total firecracker? Guess that makes her the full package too.

What's a man stuck in a hard place to do?

FULL PACKAGE is a standalone friends-to-lovers rom-com! Kurzbeschreibung
